Welcome to the Monthly Meat Box Program

We want to help you enjoy farm fresh meat, as conveniently and painlessly as possible. If there is something you really like in the package, remember, you can always order more of it from us. If there is something you don't want, please let us know, we want to serve you the best we can.

Once you are signed up, you can expect delivery in a window between the last week of the month and the first week of the new month, depending on how the weekends line up. We are always happy to accommodate delivery at a certain time or date, so please don't hesitate to let us know, it really helps the delivery driver to know these things ahead of time. If you do not answer your phone or text from Ben the Delivery Driver @780-307-5839, you will not receive your delivery until he has confirmation that you are home, will be home soon, or someone else is available to receive it. Deliveries can be made to your work if that is more convenient for you.

Keep in mind that you can always add additional items to your monthly order, like eggs, bacon, or any other of the many items from our website. You can also make an extra order at any time.

Subscription can be canceled at any time (before the 24th of the month) by:

1. **Calling us at 780-350-8812 (or text or leave a message)**
